

## Activating Internet Resources On The Ovid Platform

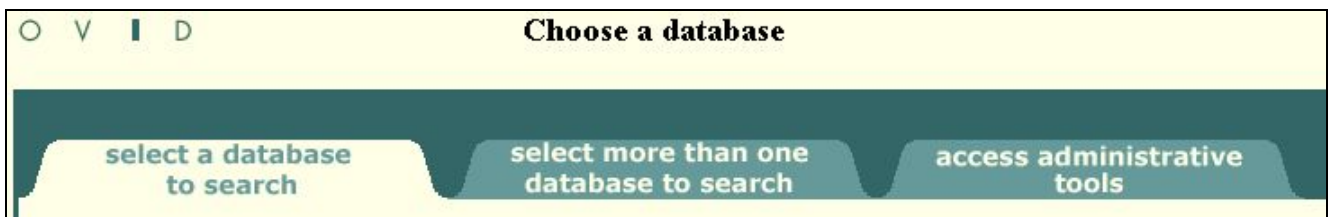

There are two ways to have related Internet Resources activated as part of your database subscription on Ovid.

### 1. Use Your Administrative Username and Password

Use your administrative username and password to activate the resources of your choice in the administrative interface.

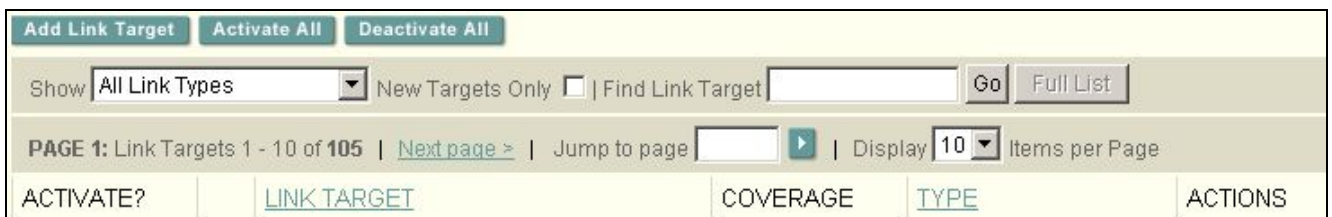

- Login to <http://gateway.ovid.com> with your administrative username and password. If you don't have this detail, please contact your Ovid Customer service representative.
- After the login choose "Access Administrative Tools" (See Figure 1) and select Links@Ovid (LinkSolver subscribers please select "LinkSolver")

Figure 1

- Select the group for which you want to activate the Internet resources and you will be presented with the full list of Link Target available for Links@Ovid (See Figure 2)
- From the "Link Types" dropdown choose "Internet resources"

Figure 2

- You will now see the list of "Internet Resources" targets. All you need to do is to activate the resources of your choice by placing a tick mark (See Figure 3)

Figure 3

<a href="#">Add Link Target</a> <a href="#">Activate All</a> <a href="#">Deactivate All</a>					
Show <span>Internet Resources</span>   New Targets Only <input type="checkbox"/>   Find Link Target <input type="text"/> <a href="#">Go</a> <a href="#">Full List</a>					
PAGE 1: Link Targets 1 - 10 of 24   <a href="#">Next page &gt;</a>   Jump to page <input type="text"/>   Display <span>10</span> Items per Page					
ACTIVATE?		LINK TARGET	COVERAGE	TYPE	ACTIONS
<input checked="" type="checkbox"/>		<a href="#">ARC - Cross Archive Searching</a>	All Years	Internet Resources	
<input type="checkbox"/>		<a href="#">Ask Jeeves</a>	All Years	Internet Resources	
<input type="checkbox"/>		<a href="#">AVEL Engineering Portal</a>	All Years	Internet Resources	
<input checked="" type="checkbox"/>		<a href="#">BIOME Subject Gateway</a>	All Years	Internet Resources	
<input type="checkbox"/>		<a href="#">CERN Documents</a>	All Years	Internet Resources	
<input checked="" type="checkbox"/>		<a href="#">ChemFinder-Chemical Structures</a>	All Years	Internet Resources	
<input checked="" type="checkbox"/>		<a href="#">CoqPrints Portal</a>	All Years	Internet Resources	

- You may return to the groups selection screen if you wish to copy you link setting from this group to other group that you administrate.
- As soon as you hit the logout prompt your settings will be applied. This may take a few minutes.

## 2. Ask Ovid's Technical Support Team to activate your related Internet Resources

Please send an email to [support@ovid.com](mailto:support@ovid.com) listing the following information:

- Specify for which groups you want Links to be activated. Note this does not have to be limited to Internet Resources; activation of other link types (Electronic Full text, Web links to Holdings or Document Ordering) can be included.
- Specify which link targets you wish to have activated. For Link targets not yet covered in [Links@ovid](#) or LinkSolver Ovid Technical Support will advise on a way forward.
