Links to Valuable Internet Resources

Ovid can provide one or more of the following Internet Resources, leveraging the full power of the Internet in your users' Current Contents® Life Sciences links. To activate simply follow the steps outlined for the [Ovid](#) platform. Alternatively, please contact your Ovid Customer Support Representative at support@ovid.com.

AVEL Engineering Portal http://avel.edu.au/	AVEL Engineering Portal - Sustainability Knowledge Network - Subject Gateway; Uses SUBJECTS_ALL to link into this portal for quality resources in sustainable systems & engineering.
BIOME Subject Gateway http://biome.ac.uk	Uses SUBJECTS_ALL to search UK Biomedical Subject Gateway. BIOME provides access to hand-selected and evaluated, quality Internet resources for students, lecturers, researchers and practitioners in the Health and Life Sciences.
Karolinska Institutet http://www.mic.ki.se/Other.html	Karolinska Institutet is one of Europe's largest medical universities. It is also Sweden's largest centre for medical training and research, accounting for 30 per cent of the medical training and 40 per cent of the medical academic research that is conducted nationwide.
RDN - Resource Discovery Network http://www.rdn.ac.uk	This portal uses the SUBJECTS_ALL field to search the Resource Discovery Network (RDN) which is the UK's national gateway to Internet resources for the learning, teaching and research community. The service currently links to more than 80,000 resources via a series of subject-based information gateways (or hubs). The RDN is primarily aimed at Internet users for further higher education.

SCIRUS
